We smoke our meats with our own hickory & fruit woods, LONG and SLOW (at least 14 hours) for the best quality, flavor, & texture. Low temperature...Slow cooking produces the "pink" smoke ring; which is where the true smoke flavor comes from. We smoke our meats daily which is why we may occasionally run out! All orders are prepared as you wait, or, you may telephone your order in ahead! Thank you for supporting our family BBQ.

***Due to the limited availability of pork, chicken, and beef products, you may notice a temporary price increase, and, or, products that we are unable to offer in the quality that we require to our loyal customers. We also encourage pre-ordering to ensure that you will be able to enjoy your favorites in the event that we run out by the end of the day. You may telephone or message my direct line at 412.337.8338 and ask for Kelly for preorders.

We sincerely appreciate all of your support and patience.

Thank you!
